2. What was the major theme that pastor Ben pulled from the movie?
3. Has adoption been part of your family or extended family?

Engage

1. Read Ephesians 1:3-10
2. Verse 5 it says that God adopted us and it was his 'pleasure and will'. Is this how you picture your adoption as child of God? That is was His pleasure and will to bring you into his holy family. Why or why not?
3. Building on question 2; what are the benefits to being adopted into God's family?

Next Steps

1. God wants you to know, you belong in his family. How is this something you can live out in your work place?
2. When you get adopted into a new family, it is common that you want to learn more about your new family, what are some questions you have about your heavenly father, or your new family? Leaders don't feel you need to answer these questions. Let people ask them and just say 'I don't know the answer to that, but I'll find out for next week' Feel free to email me any questions your group raises.
3. Next week we'll be taking a look at the story 'Beauty and the Beast' is there a friend you could invite?

Pray

This week try praying like this:

Praise: thank God for who he is and what he's done.

Repent: Ask God to forgive you for your sins (don't need to go into specifics)

Ask: God to for the needs in your life and in others lives.

Yield: Ask that God would have his way, even though you have presented this stuff to him.
