Next Steps

1. How many people do you know that don't go to church? How can you connect with some? What obstacles are stopping you from telling them about Jesus? Or inviting them to church?
Have a conversation with someone apart from Sports, weather or the news. Invite them to come on a sunday.

Bottom Line

Leadership is influence; how are you called to lead?

Pray

1. What would it take for someone in your life to unite with Jesus? Pray that God would move in that way.

This week:

2. Spend your five minutes of prayer sitting quietly considering this: *what do I fear?* In a journal make a list of everything that concerns you. Do this quickly without trying to be exhaustive. Notice which concerns seem especially difficult. Then ask God to bring peace into this pain.
