Pray

Pray for the things people want Jesus to change in their lives.

Each person know someone who Jesus wants them to reach out to. Pray for courage to do this.

Engage

1. Do you have an embarrassing moment in your past that you wish could be erased?
2. Sundays teaching explored some alternative history; what are some things that would be erased if Easter had never happened?
3. Two groups were identified: Those that live in the power of the resurrection and those that do not. How do you see the power of the resurrection in your life. How can you pursue it?

Study

1. Read 1 Corinthians 1-11. Paul sums up the Gospel here, what are the main points?
2. Philippians 3:7-10. What is 'the power of the resurrection'?

Next Steps

1. One way we can live in the power of Easter is to share the love of Jesus. This week everyone do one act of kindness to Inspire life. Each act of kindness can be commemorated in the lobby at the church with one of the ping-pong balls. Our goal is 1300 acts of kindness between both campuses!
2. Bonus: Watch the documentary *Facing Darkness* (available on Netflix) Do you see the parallel to the cross and resurrection?

Bottom Line

1 Corinthians 15:20. But Christ has indeed been raised from the dead.
