2. Did you take a step towards your Nineveh (purpose)? Did you come to a crossroad of Joppa (decision) this past week?

**Connect - Spend some time breaking the ice**

1. Have you ever won big? (a raffle or a door prize etc)
2. What is something that has taken great determination for you to finish?

**Pray - Before you pray** Share what makes it hard to follow Jesus in your life.

**Engage - Let's talk about this week's teaching**

1. How do we follow through? What does being set up to win look like when doing work with Jesus?
2. Have you seen simple obedience lead to greater results?
3. Jonah is an imperfect prophet who both obeyed and disobeyed God, whose story ends in obscurity, yet God used him. What encouragement can we find from the story and life of Jonah?

**Study - What does the Bible say?**

1. [Jonah 3](#)- How did Jonah respond? How did the people of Nineveh respond?
2. [Deuteronomy 31:8](#) - How has God been with you in challenges of life?
3. [Malachi 3:6](#) - What do you think of God not changing but still responding?

**Next Steps - Let's try to apply this.**

1. This week, consider who would be your 'Ninevites' what is God calling you to do for them?
2. Reread the book of Jonah this week, how did the actions of Jonah influence God's response?

**Bottom Line**

The rest of the story has yet to be written. God's pen is waiting. The best is yet to come.
