START WITH PRAYER

Use this Prayer Prompt

Heavenly Father, thank You for Your faithfulness and mercy. Help us respond to Your love in the way we live. Open our eyes to people who need someone in their corner. Teach us to act justly, love mercy, and walk humbly with You. Keep us close enough to hear Your voice and willing to follow Your lead in our homes, workplaces, and community. In Jesus' name, Amen.

STUDY THE BIBLE

Think through and discuss your reactions as you read through Scripture:

- **Micah 6:1-8 (main reading)**
- **Isaiah 1:16-17 — Seek justice; defend the vulnerable.**
- **Luke 6:35-36 — Show mercy, even to your enemies.**
- **Philippians 2:3-8 — Practise the humility of Jesus.**
- **James 2:14-17 — Put faith into practical action.**

STIR UP DISCUSSION

How does this week's teaching affect me personally?

1. **In the Micah 6 passage God begins by reminding His people of His faithfulness. When have you seen God come through for you? How does remembering that shape the way you respond to Him now?**

2. **The sermon pictured justice, mercy, and humility as a three-legged stool. Which comes most naturally to you? Which tends to get neglected, especially when life gets stressful?**

3. **Who around you could use someone in their corner? What might acting justly look like in an ordinary situation at work, at school, or in your neighbourhood?**

4. **Think of a time someone showed you grace when you didn't deserve it. Where is it hard for you to offer that same mercy? How could you show kindness while still being honest about what needs to change?**

5. **When a conversation gets heated, what helps you stay open to God and really listen to the other person? What could walking humbly look like in a disagreement this week?**

STEP INTO ACTION

Let's try to apply this by taking some Next Steps.

- **Act Justly:** Notice one practical need you can help meet this week. Offer your time or skills, include someone who is overlooked, or speak up when someone is treated unfairly. Choose one specific step and follow through.
- **Love Mercy:** Choose one relationship where you can practise grace. Listen before assuming the worst, offer patient help, or take a step toward forgiveness. Ask God to help you care for the person while taking the wrong seriously.
- **Walk Humbly:** Read Micah 6:8 each morning. Ask, "God, where are You leading me today?" At day's end, reflect on where you practised justice and mercy and where you need His help. Share what you're learning with someone.
